

## History

---

Enlace, a 501(c)(3) non-profit, was formed in 1998 through a combined initiative of local community leaders, non-profit organizations serving the Latinx community, and individuals wanting to break down self-imposed community silos.

Through a networking format, Enlace has become a connector between the Latinx community and organizations wanting to embrace members of the community.

Enlace members are interconnected to a web of professionals in different layers of service in the Charlotte Metro area.

## VISION:

To enhance social capital within the Latinx community in the Charlotte Metro area.

## MISSION:

To develop and strengthen connections through information, collaboration, and partnership with organizations and leaders who serve the Latinx community.
